WORDS AND MUSIC.

1. God will fill our hearts for serv-ice, In the same old way;
2. Does your heart burn for an-oth-er In the same old way?
3. God will help the weak and wear-y In the same old way;
4. Will you tell the won-drous sto-ry In the same old way?

He will an-swer prayer and bless us In the same old way.
Will you seek to win some oth-er In the same old way?
He will cheer the one that's drear-y In the same old way.
That your Lord may give the glo-ry In the same old way?

Chorus
In the same old way, In the same old way; God will
and save His peo-ple In the same old way.

Merry Christmas!
